Cyber support sessions

Cyber treatment plan & implementation support session available to book here. These are 1:1 sessions between MHCLG cyber team and a council, available for any support, guidance or hands on help for the implementation of your cyber treatment plan.

Cyber support drop in sessions every Tuesday & Thursday @10:00-11:00 am. These regular and open sessions are available for you to drop in anytime without the need to book in advance. Confidentiality can also be arranged where necessary.

Cyber clinics are occurring every Friday @10:00-10:30 am where a targeted cyber focus area will be presented, tool sets demonstrated and will be open to questions. Support, guidance and hands-on help is available to assist you in adoption and implementation.
